

Florlis®

BLUE ALL-PURPOSE FERTILIZER, 1 KG

Code: 1110160

EC Fertilizer kitchen garden, flowerbeds, bushes, hedges, trees, lawns

COMPOSITION

NPK (S) 12-12-17 (14)

FORMULATION

granulated.

PACKS

1000 g box.

Charateristics

all-purpose fertilizer with a high content of all those nutrients which are indispensable for the soil fertility and which guarantee a proper development of all plants during the whole growing season. The product is granulated and therefore easy to scatter on the soil; moreover the blue colour favours a better identifiability of the treated areas to avoid dosage in excess. Ideal for vegetables, fruit-bearing plants, ornamental and flowering plants, flowerbeds, trees, hedges, bushes, lawns and potted plants.
