

ENERGY FLOWERING PLANTS FERTILIZER, 500 G

Code: 1110231

Mineral Organic Fertilizer - Fluid suspension
super blooms

COMPOSITION

NPK 3,6-4,8-6,4+B+Cu+Fe+Mn+Zn

FORMULATION

fluid suspension.

PACKS

500 g bottle.

Charateristics

mineral organic fertilizer based on vegetable extracts, amino acids, vitamins and algae which supply 'Pure Energy', a natural aid for the plant metabolism. This formulation with a complete set of micronutrients has been studied on purpose for all flowering plants: it increases the production of flowers and leaves, stimulates the new blossoming, improves its colour and look, increases the resistance to environmental stress and diseases, with evident results in a few days.
