

EQUISETUM BASIC SUBSTANCE, 500ML

Code: 1134045

100% natural vegetable origin.
Against peach leaf curl, oidium, mildew

COMPOSITION

fermented equisetum extract (*Equisetum arvense*)
100%.

FORMULATION

liquid to dilute

PACKS

500 ml pot.

Charateristics

it is a product based on equisetum, an active substance present in nature known for its fungicidal properties. It acts against oidium, mildew, peach leaf curl, alternaria leaf spot and septoria leaf spot. It is applicable to fruit trees (apple, pear), vegetables (cucumber, tomato), vine.

Flortis®

How to use

shake well before use and dilute 50 ml of extract in 1 litre of water. Spray the plant from a distance of 40- 50 cm, wetting the entire surface evenly, including the bottom blade of the leaves. Treat every 7-15 days in spring and summer, for a maximum of 2-6 treatments per plant. Interval between the last treatment and the fruit picking: 7 days.
