

## THE RIGHTFEEDER® ORNAMENTAL PLANTS, 35 ML PHIALS

**Code: 1210851**

supplement, packing with 6 phials

### FORMULATION

liquid ready to use.

### PACKS

box with 6 phials.

## Charateristics

it's a ready- and easy-to-use supplement, studied on purpose for ornamental potted plants. The dispensing phial allows a slow but continuous release up to 15 days.

## How to use

cut away the tip of the cap with the help of scissors and insert the phial upside-down into the previously moistened soil, at least 2-3 cm deep. Use one phial for 20-30 cm diameter pots, 2 phials for 40-50 cm pots and so on.
