

THE RIGHTFEEDER® ORCHIDS, 35 ML PHIALS

Code: 1210960

supplement, packing with 6 phials

FORMULATION

liquid ready to use.

PACKS

box with 6 phials.

Charateristics

it's a ready- and easy-to-use supplement, studied on purpose for all sorts of potted orchids. The dispensing phial allows a slow but continuous release up to 15 days.

How to use

cut away the tip of the cap with the help of scissors and insert the phials upside-down into the previously moistened soil, at least 2-3 cm deep. Use one phial for 20-30 cm diameter pots, 2 phials for 40- 50 cm pots and so on.
