

Florlis®

MINI CONTAINER FOR MOUSE BAIT, 1 UNIT PACK

Code: 1330482

with bait holder

PACKS

1 container - size: 14.5x12x4 cm.

Charateristics

container for small-sized rodenticide baits which meets all safety and hygiene rules. It can be used with all Florlis Flortis baits both in bags and in cubes. It can be placed along inside or outside walls or at the wall corners. It is consistent with the current regulations for the use of rodenticide baits. When fastened, only mice can enter it, avoiding that baits can be touched or ingested by children or non-target animals.

How to use

fasten the container, open the dispenser lid using the specially provided key, place the bait in the cube holding rod or into the inside tray, close the lid.
