

IGLOO-SHAPED MOUSE TRAP, 1 UNIT PACK

Code: 1331410

to catch mice without using poison

PACKS

1 trap.

Charateristics

igloo-shaped trap with two entrances to catch mice without poison. No contact with the trapped animal. It doesn't smear, is hygienic and safe for domestic animals.

How to use

place the trap along the walls, in hidden sites and under cover: under sinks, close to dustbins, under the furniture, in kitchens, boiler rooms, cellars, garages, attics. Ideal for indoor and outdoor use.
