

**Flortis®**

**Code: 1331430**

## **PACKS**

1 trap.

## **Charateristics**

trap to catch moles without poison. No contact with the trapped animal. It doesn't smear, is hygienic and safe for domestic animals.

## **How to use**

bury the trap along the tunnels created by moles, leaving on the outside only the part with the door for inspection and capture control.
