

COCKROACH TRAP6 UNITS PACK

Code: 1331507

to catch cockroaches, millipedes and other
creeping insects

PACKS

Box with 6 traps.

Charateristics

ready-to-use trap for cockroaches containing a food attractant with liquorice fragrance placed directly into the sticky mass. It acts on all sorts of cockroaches. The product contains no poison, is unchangeable over time, doesn't ooze nor smear and lasts about 60 days. One trap protects a room of roughly 12-15 m2.

How to use

open the packing and remove the ready-to-use trap. Place the trap along the walls, in hidden sites and under cover, on the floor, close to engines, powerboards, ovens, sinks, dishwashers, drains, warm-damp areas in general. In case of widespread infestation place more traps in the same room.
