

Florlis®

MOUSE ADHESIVE TRAP, 2 UNITS PACK

Code: 1331530

to catch mice and creeping insects

PACKS

Flow Pack 2 traps

Charateristics

sticky trap for house mice containing a food attractant with banana fragrance placed directly into the sticky mass. The product contains no poison, is unalterable over time, doesn't ooze nor smear and lasts about 30 days. One trap protects a room of roughly 12-15 m2.

How to use

remove the paper sheet. The trap can be used flat or folded as well. Position the trap along the walls, in hidden places and under cover. Replace the trap after 30 days or when it is full of preys or inactive owing to dust or dirt.
