

Florlis®

TRIANGULAR FLY TRAP, 2 UNITS PACK

Code: 1331540

to catch flies without using poison

PACKS

box 2 traps.

Charateristics

ready-to-use fly and midge trap containing a food attractant with vanilla biscuit fragrance and pheromone of the domestic fly placed directly into the sticky mass. The product contains no poison, is unchangeable over time so it doesn't ooze nor smear and its effectiveness lasts about 30 days. One trap protects a medium-sized room of roughly 12-15 m².

How to use

open the envelope and take out the trap(s). Clean and degrease the surface located for the application. Place the trap in the lower corner on the inner side of the window or door window. In case of widespread infestation place more traps in the same room.
