

Flortis®

MULTI-CATCH TRAP, 1 UNIT PACK

Code: 1333200

In compliance with H.A.C.C.P.
to catch mice without using poison

PACKS

1 trap SIZE: 26x15.5x4.5 cm.

Charateristics

galvanized sheet-iron container to catch small-sized mice, without using poison, and to monitor creeping insects. The container is equipped with a transparent window for visual inspection. The Flortis flow-pack adhesive trap can be placed inside. This container can be used for a correct deratization process and control with HACCP procedure.

How to use

place the trap along the walls, in sites like boiler rooms, cellars, garages, attics, close to dustbins, under sinks and kitchen furniture. Ideal for indoor and outdoor use.
