Charateristics

it is a disaccustomer studied to help changing in a short time, by means of an olfactory action, the bad habits of dogs and cats to dirty the outdoor sites with their droppings. The product is a mixture of essential oils whose fragrance is unpleasant specifically to dogs and cats. The product is harmless to people, animals and plants if used properly and does not contain propellants, respecting the environment.

How to use

clean the surface to treat before use, then sprinkle uniformly and abundantly from a distance of 30-40 cm. Sprinkle every day at first, then every other day. In case of rain or washing of the surface it is necessary to sprinkle the product again.
